Purchase of of a Stud-Bull and a He-Buffaloe by the Tirthahalli Minor Municipality sanctioning the expenditure-incurred therefor -

---

In forwarding herewith in original correspondence received from the Sub Division Officer, Shimoga enquiry with his memo No N Dis R1 C 869-102/43-44 dated 13th May 1944, on the subject noted above, I have the honour to state as follows -

According to G O No A F 8922-45-A H 87-40-5 dated 24th June 1941 every Municipal Council is entitled to have a Stud Bull, free of cost from the Director of Agriculture

On a reference made to the Director of Agriculture, in Bangalore, Bangalore, for the free supply of a Breeding Bull to the Tirthahalli Municipality, the Superintendent of Veterinary Services in Mysore, Bangalore intimated the Municipal President, Tirthahalli Municipality, vide his reference No A1 7/43-44 dated 5th February 44 that under the existing market conditions a Breeding Bull costs over Rs 500/- and that Govt consider that it is not desirable to spend more than Rs 200/- for each Municipality for supply of a Breeding Bull

The Municipal President reports that at the Meeting of the Municipal Council held on 5-5-1944, the Subject pertaining to the purchase of a Breeding Bull was discussed and a resolution was passed ~~and a resolution was passed~~ to the effect that a Bull owned by a Private gentleman named Mr Srinivasachar of Tirthahalli may be purchased for Rs 175/- and that shed be put up for keeping the animal

The Municipal Council further resolved that a He-buffaloe

buffaloe might be purchased and reared for improving the Live Stock Vide Resolution copy enclosed for favour of reference

The Municipal President states, that, in pursuance of the resolution of the Municipal Council dated 5-5-44 action is taken by him to purchase locally a Breeding Bull from one Mr M Srinivasachari, a local private gentleman for Rs 175/- He states that the bull is young being only 4 years old and that the local Veterinary Inspector has opined that the animal is quite serviceable

The cost of the He buffaloe is estimated at Rs 200/- The other charges including the cost of constructing a shed, care takers pay and the cost of maintenance of the two animals (for two months during the current year) is estimated at Rs 225/- as detailed in the margin * The Municipal President proposes to meet the entire expenditure of Rs 600/- from the following sources, viz -

*1	Cost of constructing shed	Rs.132-10-0
2	Care taker's pay at Rs 12/- p m for 2 months during 43-44.	24--0-0
3	Maintenance charges of the animals during the current year	70--0-0
		226--10-0

a) From the provision of Rs 300/- sanctioned for the purpose in the current years Budget, and (b) by re-appropriation of Rs 300/- from the Savings effected under the head A II from the Provision of Rs 300/- made to meet the pay of the Assessing Officer in the current year's sanctioned Budget

It is reported that a covering fee of Re 1/- for bull and Rs 2/- for the Buffaloe will be charged

The President of the Municipality reports that in view of the ensuing monsoons, arrangements have already been made to take up the work of constructing a shed required for the animals

He requests that sanction might be accorded to the above proposal of the Council

I write to state that the Municipal Council had a closing balance of Rs 9,500/- on 1st April 44 and that it could afford to bear the proposed expenditure of Rs 600/-

In the circumstances, I request that sanction of Government may kindly be obtained to (a) sanction the expenditure of Rs 600/-as proposed by the Municipal Council, for the purpose referred to above, (b) to ratify the action of the Municipal President in having taken action to purchase a Breeding Bull and a He Buffaloe, locally, in anticipation of the sanction

This irregularity is however pointed out to the Municipal President

5

President with instructions, that he should not incur expenditure of such optional nature without obtaining the previous sanction

I have the honour to be,
Sir,
Your most obedient servant
